Address:

North, Tonganoxie

Price:

Free

This car runs great and drives nice. V6 with a lot of power. Has brand new rack and pinion, newer brakes, newer tires, newer serpentine belt, electric seats with electric lumbar support, and everything works well. It's been well taken care of and has been very reliable! It has 177,000 miles. Prefer emails or texts, but can answer voice-mail in the evening. Thanks!
