Address:

2000 Bal Harbor Blvd, Punta Gorda Isles, Punta Gorda

Price:

Free

I am remodeling a bathroom in my condo and was able to remove a large mirror that had been glue to the wall. The mirror itself is in great shape but there is some residual glue on the back. It's 3/16" thick fairly heavy and without any defects I can see. It's heavy and needs to be picked up. Two people a must.
